

Belgrade, August 2018

Dear colleagues, Dear friends,

It makes me a pleasure to preliminary announce that the next 27th JUMV International Automotive Conference SCIENCE & MOTOR VEHICLES 2019 is scheduled to take place on 24-25 April 2019 in Belgrade. Prospective Conference site will be Belgrade Crowne Plaza Hotel.

With your continuous support, we will bring-up this respectful international automotive engineering conference to run again after consecutive 50 years since it first took place.

The Conference topics include but are not limited to:

- **Vehicle Safety - Autonomous Vehicles & ADAS, Braking, Accident Reconstruction & Analyses, Vehicle & Traffic Safety and Vehicle Regulations,**
- **Simulations in Automotive Technology,**
- **Advanced Powertrain - Vehicle Transmissions, IS Engines, EV/HEV & Alternative Energy Technologies, Emission, Ecology, Transportation Greening, Environment Protection, Energy,**
- **Advanced Engineering Methods & Tools, and**
- **Automotive Logistics - Maintenance, After Sales, Reliability, PLC, LCM, LCC,...**

First Announcement & Call for Papers will be published shortly, but all relevant information is already for some time available at www.nmv2019.jumv.rs.

While deeply appreciating your precedent contribution(s) to this Conference, I would like to kindly invite you to consider taking part at the 2019 Conference and/or offering paper proposal(s) with the latest results of your research.

*The dead-line for paper offer submission will be the **1 November 2018**.*

For more information you can also contact me at cduboka@gmail.com or cduboka@jumv.rs.

Wishing you all the best,

Kind regards from Belgrade,

Prof. Dr. Čedomir Duboka, Conference Chair
